

ONE CALM OPERATING SYSTEM

Built for the whole restaurant.

01

Table control

See every open, active, and settled table at a glance.

02

Captain ordering

Take orders on a phone or tablet and fire the KOT instantly.

03

Kitchen clarity

Print KOTs or run a large, readable kitchen display.

04

Menu control

Add items quickly and manage price, tax, stock, and outlet menus.

05

Clean billing

Create sequential GST or VAT invoices and print without friction.

06

Daily visibility

Track sales, top items, channels, and outlet performance.

Only what the restaurant needs. Nothing in the way.
